Gulf Coast Chapter

ABATE is a motorcyclist' rights organization composed of motorcycle enthusiasts throughout the country. Putting motorcycle legislation in its proper perspective is our main concern. This is accomplished through safety education programs, public awareness programs and other proposals designed to prevent fatal or injury accidents. ABATE stands for American Bikers Aimed Toward Education.

ABATE is a neutral organization that allows all riders of all motorcycles as well as non-motorcyclist to unite in abrotherhood to safeguard our rights and still be individuals with different views.

ABATE feels all motorcyclist are brothers and sisters with one common interest - - - - - Riding FREE!!!

ABATE works with motorcyclist' rights organizations across the country to stop unfair legislation aimed at the motorcyclist. We are not against helmets. We are against the forced-use helmet laws which are blatant of our personal freedom. It puts all of motorcycling in jeopardy.

ABATE sponsors and promotes safety, rider information, and motorcycle awareness campaigns for automobile drivers, emphasizing accident prevention.
